

END-USER & END-USE STATEMENT

Document No #903437 Issue Date: 09.06.2021 Revision Date: 01.01.2024 Rev.: 02

Dear Customer,

1. Loran Aerospace Incorporated (Loran) supports and acts in accordance with the export control laws which are important part of the federal and global legal restrictions. These legal restrictions may control the product, end user, end user location and all other intermediary persons and companies between the customer and the end user.
2. As a customer, from Loran, you may want to get a quotation and/or you ordered a product and/or you are going to activate a purchase order, you are an important part of this compliance effort mentioned above.
3. The items, products and or services which you have requested, intend to purchase and or purchased may subject to U.S. export regulations and law. These laws and regulations include, but are not limited to, the U.S. Export Administration Regulations (EAR) administered by the U.S. Department of Commerce and the Commerce Control List (the "CCL") therein, the International Traffic in Arms Regulations (ITAR) administered by the U.S. Department of State and the United States Munitions List (the "USML") therein, as well as other U.S. export control regulations and laws, including the Embargo and Sanctions Regulations issued by the U.S. Department of the Treasury, Office of Foreign Assets Control (OFAC).
4. If the items are used directly or indirectly in a nuclear activity or in the production of chemical or biological weapons as an end-use point, you are required to have an export license.
5. Loran must obtain certain following information about your company to comply U.S. export regulations that is an obligation for all exporter companies. We require a signed copy of this document specified your exact end-user information and end-use purpose for the items, products and or services which you have requested, intend to purchase and or purchased.
6. Within the scope of all explanations, we undertake and confirm that the items will not be directly or indirectly delivered to countries, companies, and persons whose exports are prohibited or commercial relations are restricted, including Russia and Belarus.
7. We also undertake and declare that neither I nor my company is a person or company that is prohibited or restricted from establishing commercial relations in the field of military and aviation by the United Nations and/or NATO and/or the USA and/or the European Union.
8. We accept that all my declarations and commitments within the scope of this End-User Statement are correct, and we accept all responsibility in case of a violation within the scope of my commercial relationship with Loran based on this information.
